I have reviewed the information on this request form and verify that the information listed above and attached is true and correct. I understand that if any changes regarding the Orthodontic Contract occur, NBS must be notified immediately. Failure to do so could result in additional taxes being applicable for which I would be responsible.

Expenses for orthodontia may not be reimbursed under the plan prior to the time the orthodontia care services are rendered. However, you may be reimbursed under the plan after the services are rendered and prior to the time that the payment is due if those expenses are part of a continual reimbursement request. It is your responsibility to advise the plan administrator of the cessation or interruption of such services.
